 Superintendent Fax: 205.486.8833

Dear Parent/Guardian:

This packet is very important. It contains the 2016-2017 **Free and Reduced Priced School Meals Application** and **Question and Answer page** for the application. Everyone is encouraged to apply. If approved, your child could receive free or reduced meals at both breakfast AND lunch.

Please follow the detailed instructions on the side of the application. Please fill out, sign and return the application to your child's classroom teacher or school office. You may keep the other pages for your records.

If your child received a letter on the first day of school titled **Direct Certification**, you do not have to fill out the application. However, if a child's name that lives in your household was not included on the letter and you want them to also receive free or reduced priced meals, you must fill out the application.

If your child/children received free or reduced meals **last school year and did not receive a Direct Certification letter**, they will remain on the program with the **same status until Tuesday, September 20th** but you must fill out this year's application. Do not let your child's eligibility expire! The new application must be **returned by Monday, September 19th for eligibility to be checked** for this school year. If an application is **not returned**, the child's meal status will be changed to **paid** on Wednesday, September 21st.

If at **any time** during the school year the economic status of your family **changes** due to loss of employment and you feel like you may qualify or may change eligibilities (paid to free/reduced or reduced to free), you can request a new application.

Haleyville City School cafeterias are always working to offer healthier and tastier choices. We are committed to providing students servings of milk, fruits and vegetables, proteins and grains. **Now** is the time to encourage your child to eat a school breakfast and lunch. Research shows that a student's academic success can be enhanced by eating a healthy breakfast and lunch. **Breakfast begins at 7:30am at each school.** School meals are a great value and a huge convenience for busy families.

	Breakfast Prices	Lunch Prices
Full paid students	\$1.50	\$2.25
